

Competition Guidelines

പ്രയോജനമില്ലാത്ത വസ്തുവിൽ നിന്ന് ഗുണകരമായ വസ്തു നിർമ്മാണം
(Best out of Waste)

Best out of Waste

1. Individual participant
2. The materials required must be brought by the participant itself.
3. Only waste materials should be used.
4. If you are having any electrical connections in your product, you could make use of new wires for safety reasons.
5. The finished end product should have some utility.
6. Readymade decorative items or pre prepared items are not allowed.
7. Judgment will be based on the innovativeness, Creativity, materials used, and usefulness of the product.
8. Time limit: 90 minutes
